

Graduate Pharmacy Startup Special

Start Your Own Herbal Pharmacy

THE STARTER KIT

Choose your own customized pharmacy from our collection of over 500 Chinese or Western botanical extracts.

Select either liquid or powder forms of Chinese and or Western botanicals. Choose 50 or more of your favorite formulas and/or single herbs in liquid or powder form and begin enjoying the convenience of your own herbal pharmacy today.

With your Starter Kit, you will receive a 25% discount off the professional price as well as complimentary pharmacy supplies.

Efficiently make an individualized formula in minutes while your patient rests in a treatment session. Your patients will receive maximum benefit from immediate herbal support while you have the flexibility to adjust their formula according to their changing patterns.

We can help you customize your pharmacy to your specific needs.

Discount does not apply to custom formulations.
