

Service & Shipping

Customer Service

8:30 am to 6:00 pm Pacific Standard Time, Mon. - Fri.

To Order

Call Toll Free: **877.707.0988**

Fax: **503.217.6046**

e-mail: info@goldenlotusherbs.com

Please provide your name, clinic name, address, phone number, desired product(s) by name or item number, bottle size, quantity and dosage form (ie. liquid, powder or caps).

Billing & Terms

Orders payable by Visa or MasterCard, C.O.D., pre-paid check or money order. 30 day Net terms available with approved credit. Accounts over 45 days past due may be subject to a finance charge of 1.5% compounded monthly (18% annually) and placed on C.O.D. status. Unfortunately, we are unable to ship orders to delinquent accounts. Returned checks are subject to a \$25.00 NSF charge.

Shipping

Small packages are shipped via US Postal service or UPS. Larger packages may ship via UPS. FedEx service available on request. Customers are responsible for shipping and handling charges.

Free Shipping

Orders over \$150.00 (after discounts) will receive free shipping (Ground). Large freight and heavy weight exceptions may apply. International freight charges apply.

Discounts (for Golden Lotus products only)*

5% Discount for orders over \$250.00

10% Discount for orders over \$500.00

15% Discount for orders over \$1200.00

20% Discount for schools, non-profit institutions & start up pharmacies.

* Specially sourced items, third party products and select items excluded.

Return Policy

Product returns are accepted for exchange, credit or refund with prior approval. Returns must be made within 30 days of purchase and be accompanied by a copy of the invoice.

Lead Time

We have a 1-3 day lead time for in-stock items. There may be exceptions based on item availability. Custom formulas may take longer.

Compliance

Our products are intended for use by healthcare professionals and students who are familiar with the proper and safe use of herbs. Customers accept full responsibility for the safe and proper use of these products.

Structure & Function Claims

Specific product claims are supported by modern research. These products are not drugs, but food supplements for special dietary use, under the care of licensed healthcare providers pursuant to applicable Federal Laws.

These statements have not been evaluated by the FDA. These products are not intended to diagnose, treat, cure, mitigate or prevent any disease.
